

**Sat-Sun - December 12th-13th, 2015**

# How To Build A 21st Century Media Channel- Social Multimedia Marketing Platform 2-Day Workshop

*"In Charlotte NC today...  
there is simply no dominant player online in any industry category ...  
If you want to be that person...and control a business category...organically...  
then you must set up your media platform with technical integrity."  
-Robert Zuniga*

Saturday 12/12\*: (~6 hrs)

We discuss strategy and then

we each build our own social media platform for maximum impact.

Sunday 12/13\*: (~6 hrs)

We continue developing the system as well as

create and publish content to feed our

Worldwide Marketing Media Center.

\*the pace of instruction is determined by attendees success
